

Dear Member,

It is my pleasure to invite you to the 2026 Annual General Meeting (AGM) of The Royal Automobile Club of Queensland Limited (RACQ) to be held on Wednesday, 7 October 2026 at 10am (Brisbane time).

Members are welcome to attend in-person at our Eight Mile Plains office, or online via racq.com/AGMlive

The accompanying Notice of Meeting and explanatory notes outline the business to be conducted at this year's 121st AGM. As always, we welcome the opportunity to address your questions on the matters outlined either prior to or at the AGM.

This year's meeting will provide members with an update on RACQ's performance and strategic priorities. We are also using this year's AGM to ask you a different kind of question. There is an Advisory Vote on RACQ's advocacy priorities for FY27, and we genuinely want to know what matters most to you. Your views will sit alongside the data, evidence and broader member sentiment we draw on, to help the board consider where we focus our advocacy on your behalf.

The AGM is the one time of the year our members, board and executive come together – it's your opportunity to ask questions, and have your voice heard. This year, your vote on our advocacy priorities is one of the ways that voice will help shape our work for the year ahead. We value that connection, and warmly encourage you to be part of the conversation.

On behalf of my fellow directors and Managing Director and Chief Executive Officer, David Carter, I thank you for your ongoing support of our Club and look forward to seeing you online or in person at the AGM.

Warmest regards,

Leona Murphy OAM
RACQ President and Chair
